## ANTON BAUER

Riesling "Berg" 2009

Wagram - Austria

Light, soft yellow, classic peach note, especially of small white peaches, also exhibits an exotic touch and minerally appearing spices in an intensive bouquet, a wonderful play of fruit on the palate; emphasizing the variety. Very coherent, lively and stimulating.

### Serving Suggestion:

A versatile food wine that pairs nicely with pork, seafood, chicken and spicy foods. This is what great Riesling is all about.
