

ANTON BAUER

Riesling Berg

A classic style Riesling from a very stony vineyard site. The concentrated pear and orchard fruit is balanced with a distinct mineral note, rich acidity and a clean crisp finish.
A versatile food wine that pairs nicely with pork, seafood, chicken and spicy foods.
This is what great Riesling is all about.

ANTON BAUER

Riesling Berg 2005

“Bauer has managed to combine an engaging fleshiness with a steely frame to fashion a thoroughly enjoyable and balanced Riesling that finishes without a trace of sweetness. Those who shun Riesling believing, erroneously, that it is always sweet, need to try this wine.”

90pts. Michael Apstein.
