## ANTON BAUER

### Grüner Veltliner

### "ICEWINE" 2008 Wagram - Austria

#### Tasting notes:

Delicious dessert wine from the Grossriedenthal. This area is known to produce outstanding Ice-wine almost every year. Ice-wine is produced from grapes harvested and pressed while still frozen. The watery content of the grape will remain in the press as ice. The concentrated sugary grape juice flows out as "liquid gold"

#### Food recommendations:

This wine pairs well with sweet dishes and cheese
