

LEO HILLINGER

## Small Hill red 2008

Wonderful soft and supple cuvee of 50% Merlot, 25% Pinot Noir, 25% St. Laurent. The flavors remind of dark berries and delicately showing through some chocolate. Perfect harmony on the palate.

### Serving Suggestion:

A wine which matches any kind of food perfectly. Great Party wine

## The Washington Post

\*\* 1/2 stars, (out of 3 stars - Great Value)

Soft Merlot - This red blend, typically half Merlot with the rest an equal mix of Pinot Noir and Saint Laurent, keeps getting better with each vintage. The 2008 is fruit-forward in aromas, but it packs a lot of earth, cigar box and raspberry flavors. Nothing subtle about this one; it is rich, spicy and delicious.
