wine region south Styria

The Strauss wine estate is located in Steinbach, near the town of Gamlitz, in the heart of the southern Styrian wine route. Here you will find excellent wines - which show a wonderful marriage between traditional knowledge and modern technology.

gamlitzberg

Strauss is located on the foot of the Gmalitzberg – the largest single vineyard in Styria

our soil and climate

sandstone, shale, clay and shell limestone; the humid Mediterranean climate determines the vegetation cycle; than the cool nights help bring out the aromas that generate a richness of nuances and noblesse in the white wines

production

85 % whites and 15 % red wines.
